AFFAIRS IN THE PHILIPPINES. Brigadier-General Kobbe's expedition in the islands of Luzon, Leyte and Samar has occupied permanently and garrisoned nine towns. This has placed on the market 180,000 bales of hemp, which had been held at the

A thousand Filipinos armed with of Manchester, Mich., tells how such a rifles and over five thousand armed with slave was made free. He says: "My wooden swords, bows and arrows were wife has been so helpless for five years that she could not turn over in bed

The American loss was one man killed | supreme remedy for female diseases and nine men wounded. The Amerimelancholy, headache, backache, faint ing and dizzy spells. This miracle working medicine is a godsend to weak, cans captured \$9,000 in gold of the Filipinos' money and 40 muzzle-loading brass cannon. At Calbagog and Samar sickly, rundown people. Every bottle guaranteed. Only 50 cents. Sold by the natives evacuated the towns, the Americans chasing, fighting and scatterog them to the mountains.

At Cathalogan, Lukban, the Tagalo eneral, fired the place with kerosene ust before the Americans landed, and which adhere to the membrane and decompose, causing a far more serious trouble than the ordinary form of catarth. Avoid all dring inhalants and use that which cleanser, soothes and heals. Ely's Cream Balm is such a remedy and will cure catarth or cold in the hen fought with cannon and rifles om the hills encircling the town, When the Filipinos were driven out the Americans did their nest to save the own fighting the fire several hours. bead easily and pleasantly. All druggists sell it at 50 cents or it will be mailed by Ely Brothers, 56 Warren street, New York. Thirty stone and s xty other house half the business portion of the place, were consumed. The soldiers prevented the fire from spreading.

The next day Major Allen, with three companies of the Forty-third regiment, gold. His capture is probable.

tives evacuated the town and the Americans pursued them to the hills. Several fleeing noncombatants were killed including three women.

Seven miles distant, at Palo, Filipinos

such a sale at Boschee's German Syrup in all parts of the civilized world. hird regiment drove out 150 of the naives and captured the town. will tell you its success was marvelous. It is really the only throat and Lung

ullenty antagonistic to the American occupation. The Tagalo chiefs influence ed them against Americans, but it is be leved by General Kobbe when they preceive the Americans are much more powerful than the Tagalos, and intend to maintain garrisons in order to open the islands to commerce, the native par-

ty will lose its popularity.

The inhabitants are daily returning to the towns. There is a rush of commercial vessels from Manila to the new

ACTIVITY IN THE SOUTH.-Mr. Isaac Hy's Cream Balm Field, president of the Jail Board of It is quickly absorbed. Gives relief at once. Opens and cleanses the Nasa COLD IN HEAD Maryland, has just returned from a two weeks' trip through the South and

"Great activity exists in all of the southern States, which is due in a great measure to the progressiveness of etterprising mill men and those who are investing in iron properties. The responsing mill men and those who are investing in iron properties. The greatest activity exists in the iron and steel mills in Alabama. They are running full time night and day, and then can not keep up with orders. can not keep up with orders, many of them having contracts in hand a year a head. The coal production in Alabama is greatly on the increase. The Alabama furnaces are making a net profit of about \$7 to \$8 a ton, with most of their product sold for from six months to a year ahead at these prices, and there are no indica ions of any de

cline in prices." BEATEN BY HORSE TRADERS .- On Saturday Charles Keffer, a youth from the country, went to Winchester with a \$50 horse and \$3 in cash. Several hours later he departed for home without either horse or money or their equivalent as a result of several horse trades he had with local sharpers. He paid two young men 25 cents each to steer him to a "horse buyer." There he gave up his horse and \$2.50 to boot for the "buyer's" animal. Then he visited another "buyer," who poured bisulphide of carbon on the horse's back while I effer's attention was attracted in another direction. The pain caused in another direction. The pain caused when she purchases fleur for her bread, cakes or pastry. She are not pastry. She are not pastry.
